Special Edition

March 16, 1984

The results of the Engineering Society elections held on March 8 & 9 are as follows:

## PRESIDENT

Christie, Bruce	345
Hollings, William	343

## TREASURER

Breukelman, Marion	336
Fofana, Richard	362

## V.P. ADMINISTRATION

Fairweather, Lynette	406
Jubb, Derek J.A.	239

## SECRETARY

Rochford, Suzanne	460
Weir, John R.B.	205

## V.P. ACTIVITIES

Alegre, Luis	274
Dow, Gregory	241
Kasper, Tony	159

The total number of ballots in the ballot box on Thursday exceeded the total number of signatures on the voters list by 4. The total number of signatures on the voters list on Friday exceeded the total number of ballots by 2. I have therefore decided to consider the results of the Presidential Election invalid. An election will be re-held according to the Constitution.

As a result of a complaint by Mr. Kasper and Mr. Dow, Mr. Alegre was disqualified under Section 14 of the Election Rules for a breach of Section 10 'campaigning while the polls were open'. Since then, Mr. Kasper and Mr. Dow have withdrawn. The position of V.P. Activities is now vacant.

Nominations are now open for the position of V.P. Activities of the Engineering Society for the 1984-85 term of office. Nominations close March 23, 1984. An election for the positions of President and Vice President: Activities will be held in the week of March 26 - 30, 1984.

A number of complaints were filed with the Chief Returning Officer. Copies of these complaints along with the rulings made are posted in the Engineering Society office.

Congratulations to Lynette, Richard and Suzanne on their new positions.
